MEMORANDUM FOR COLONEL [REDACTED] ASSISTANT  
DIRECTOR FOR POLICY COORDINATION:

Subject: OPC Draft Support Plan for PSB Plan

JCS Declassification/Release Instructions on File <sup>"TAKEOFF"</sup>

1. I have studied your Draft Support Plan for PSB Plan "TAKEOFF" dated 3 October 1951 and offer the following suggestions concerning this plan.

a. For convenience of the users of this plan it seems desirable to separate the tasks into two parts, one containing those which are in direct support of combat operations in which U.S. forces are engaged, and the other containing those which are not in direct support but which affect the missions of CINCPAC.

out ✓  
b. Paragraph II, A, 1, f, (page 2). Reconsider this in the light of repercussions of counter-propaganda should this theme be used, especially since the use of these weapons has not been approved.

out ✓  
c. Paragraph III, A, 1, a, (1), (page 2). Reconsider for the same reason as above as well as the possibility of interpretation of this being a U.S. desire for war.

FC - no guid.  
d. Paragraph III, D, 1, c, (page 5). The recommendation for this action has previously been disapproved. 7

e. Paragraph III, D, 1, d, (page 5). This may help the enemy rather than hinder him. UN Troops are now being trained in defense against atomic weapons.

2. Other than the above I can see no objection to this plan being transmitted in accordance with our Tentative Procedure for Coordination of OPC Plan in Support of PSB Approved Plan.

ILLEGIB

J. D. BALMER,  
Brigadier General, USA,  
Chief.
